### **Defending Medical Malpractice Claims: Leading Lawyers on Navigating Medical Malpractice Developments and Mounting a Successful Defense (Inside the Minds)** By Multiple Authors

Defending Medical Malpractice Claims provides an authoritative, insider's perspective on developing an effective medical malpractice defense. Featuring partners from law firms across the nation, these experts guide the reader through the process of representing doctors and health care providers in medical malpractice cases. These top lawyers offer advice on navigating the discovery process, selecting good experts, demonstrating the client acted appropriately, and helping clients avoid future medical malpractice claims. Additionally, these attorneys discuss legal protections for doctors and health care providers, common types and targets of lawsuits, and the increasing role of technology in this area of law. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this ever-evolving field.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
