Destructive Generation: Second Thoughts About the Sixties By Peter Collier, David Horowitz

As leading New Leftists in the Sixties, Peter Collier and David Horowitz were intimately involved in the radicalism of the day. Later on, they became the first of their generation to publicly reject the objectives of that revolutionary era and point out the cultural chaos it had left behind. Part memoir, part political analysis, part social history, DESTRUCTIVE GENERATION is the compelling story of their intellectual journey into and out of the radical trenches. Telling stories of the New Left's most famous (and infamous) personalities and events, Collier and Horowitz reveal the destructive legacy of the Sixties and the way in which that decade continues to cast a long shadow over politics and culture today. When it was first published more than a decade ago, DESTRUCTIVE GENERATION was a controversial bestseller that some critics compared to Whittaker Chambers' powerful political testament, WITNESS. This new edition contains new material which makes this classic work more relevant than ever in our own divided time.

Editorial Review

Review

A rare and vivid glimpse into the bowels. -- *Wall Street Journal*

Collier and Howowitz knew the scene from the inside, and write about it with intelligence, gossipy intimacy, and savage introspection. -- *National Review*

If words can turn the tides of history, Collier and Horowitz...have achieved what bombs and bullets failed to do. -- *Washington Post*

About the Author

David Horowitz is the author of *Radical Son*, *The Politics of Bad Faith*, *Left Illusions*, and other books. He is the President of the Center for the Study of Popular Culture in Los Angeles, California.

Users Review

From reader reviews:

Arturo McDaniel:
