Editorial Review

From Publishers Weekly

Her spectacles perched on her nose and her hair coiffed in a Father Knows Best pompadour, Wallace Bleff's teacher looks on as the boy delivers an oral report on that classic topic, *How I Spent My Summer Vacation*. The classroom setting gives way to an expanse of Western plains, across which a locomotive train rumbles, bringing Wallace to visit his aunt. His parents have sent him there for a reason: "'Your imagination,' they said, 'is getting too wild./ It will do you some good to relax for a while.'" It won't take kids long to realize that Wallace's imagination is as fertile as ever, as he tells of being captured by cowboys, who outfit him in spiffy Western garb and teach him all their "cowboy tricks." When "Kid Bleff" finally calls his aunt (from a phone booth comically plunked down in the middle of nowhere), she invites him to bring his pals to her house for a barbecue-Teague's (The Field Beyond the Outfield) boy buckaroo, however, still has a few tricks up his sleeve. Told in rollicking rhymed verse, this is one rootin' tootin' tall tale. Playful period illustrations brim with droll detail, including some laugh-out-loud funny expressions on animal faces. Ages 3-7.

From School Library Journal

PreSchool-Grade 2?An original fantasy told in rhyme. Wallace Bleff, who is reporting to his class about his summer vacation, tells of his travels west at the bidding of his parents, who felt his overactive imagination needed a rest. He relates how en route to his Aunt Fern's house, he is kidnapped by cowboys and?voila, Kid Bleff is born. He joins the rawhide crowd; learns to rope, ride, and build fires; and becomes a "first-rate cowhand." In celebration of the end of the roundup, Aunt Fern invites Wallace and new friends to a barbecue. When a cattle stampede nearly ruins the party, the young hero saves the day as he displays hidden talent as a matador and reverses the direction of the herd. The art is done in warm acrylics throughout, first to portray the classroom setting where Wallace's yarn begins against the backdrop of the chalkboard, then segues into the sandy scenes of the Wild West, and back again. Teague strikes again with a unique idea, one teachers would do well to use. An excellent read-aloud choice for back-to-school reading in the classroom or the public library.?Marsha McGrath, Clearwater Public Library, FL

Ages 5^-7. A great back-to-school picture book elevates the traditional "How I Spent My Summer Vacation" school report to new and dazzling heights. Wallace Bleff's unsuspecting teacher gets more than she bargained for when the quiet student erupts in glee as he reads his essay on his summer vacation--a wild and woolly, Old West adventure that bursts from his paper into full-color, action-packed double-spread paintings filled with cowboys, horses, and stampeding steers. Now Wallace "can hardly wait for show-and-tell!" As usual, Teague's imagination springs lively, as does his rhyming text, and his illustrations have that slightly old-fashioned look that never seems outdated. Children will love Wallace's buckaroo heroism and love his great revenge. *Stephanie Zvirin*

Users Review

From reader reviews:

Donald Campbell:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim as well as goal; it means that reserve has different type. Some people feel enjoy to spend their time to read a book. These are reading whatever they take because their hobby will be reading a book. Think about the person who don't like reading through a book? Sometime, particular person feel need book once they found difficult problem or maybe exercise. Well, probably you will need this How I Spent My Summer Vacation (Dragonfly Books).

Joseph Lunsford:

People live in this new moment of lifestyle always try to and must have the extra time or they will get lots of stress from both lifestyle and work. So , if we ask do people have free time, we will say absolutely indeed. People is human not only a robot. Then we request again, what kind of activity are there when the spare time coming to a person of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative within spending your spare time, typically the book you have read is How I Spent My Summer Vacation (Dragonfly Books).

Virgina Scheffer:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you never know the inside because don't assess book by its include may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside search likes. Maybe you answer may be How I Spent My Summer Vacation (Dragonfly Books) why because the amazing cover that make you consider concerning the content will not disappoint a person. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Carl Kile:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this How I Spent My Summer Vacation (Dragonfly Books) can make you truly feel more interested to read.
