Editorial Review

Review

Choose Your Own Adventure titles have sold at least 250 million copies around the world since the series debuted with Bantam Books in 1978, and anyone who remembers reading them probably knows why. You were the protagonist. When you're 9 years old, that's a pretty exhilarating feeling. Your fate depended on the choices you made at the bottom of each page. Each installment had dozens of endings, and the more rabid fans (including yours truly) wanted to experience every one. --The Associated Press
