Ramona the Pest By Beverly Cleary

Ramona Quimby is excited to start kindergarten. No longer does she have to watch her older sister, Beezus, ride the bus to school with all the big kids. She's finally old enough to do it too!

Then she gets into trouble for pulling her classmate's *boingy* curls during recess. Even worse, her crush rejects her in front of everyone. Beezus says Ramona needs to quit being a pest, but how can she stop if she never was *trying* to be one in the first place?

Newbery Medal winning author Beverly Cleary expertly depicts the trials and triumphs of growing up through a relatable heroine in Ramona Quimby.

Editorial Review

Amazon.com Review

The engaging tale of young Ramona Quimby's first days in kindergarten, *Ramona the Pest* takes a pint-sized perspective on the trials and delights of beginning school. Ramona can't wait to learn all the important things. But she's disappointed when her teacher can't fill in missing parts of story lines, such as how Mike Mulligan (of *Mike Mulligan and His Steam Shovel*) went to the bathroom while digging the basement of the town hall. Nonetheless, Ramona loves her teacher, and loves going to school in spite of the torments--having to wear hand-me-down boots, for example, or having to (sometimes) suppress the urge to pull on another girl's "boing-boing" curls. Ramona's energetic take on life appeals to children who have passed through this stage, or who are dealing with a kindergarten-age sibling who is exhibiting Ramona-ish tendencies. (Ages 7 to 12) --*Richard Farr*

From the Inside Flap

2 hours, 27 minutes

2 cassettes

Performance by Stockard Channing

Ramona's big day has finally arrived! This is the day she starts kindergarten. But, she certainly proves she can be the peskiest kindergartener ever. When things get out of hand it's almost enough to make her the world's first kindergarten drop-out!

From the Back Cover

Here comes Ramona!

Ramona Quimby is thrilled to be starting kindergarten. She likes a little boy named Davy so much she wants to kiss him, and she loves Susan's beautiful curls so much she wants to pull them to see them boing. Her teacher even promises her a present just for sitting still! So how does Ramona get in trouble? Well, anyone who knows Ramona knows that she is never a pest on purpose.

Users Review

From reader reviews:

Jon McKibben:
