Teaching As Jesus Taught: By Roy Zuck

Bible teachers have an ideal model for evaluating their pedagogy: the Master Teacher Jesus. Read through the Gospels, and you quickly reach the conclusion that Jesus was a dynamic, remarkably effective teacher; never boring, always stimulating; never obtuse, always clear; never pompous or distant, always personal and lovingly concerned," writes Roy Zuck. Zuck explores Jesus' involvement of students in the learning process, his modeling of truth, his method of responding to questions, his use of rhetorical technique, visuals, and illustrations, and his attitude toward those who sat under his instruction. Zuck covers the Rabbi's overall style and its impact on disciples, the general public, and those who rejected him.
