The Governess Club: Bonnie By Ellie Macdonald

Miss Bonnie Hodges, governess to the Darrow family, is desperately trying to hold it together. Tragedy has struck, and she is the sole person left to be strong for the two little boys in her care. When the new guardian arrives, she hopes that things will get better. She wasn't expecting her new employer to be the most frustrating, overbearing, and ... handsome man she's ever seen.

Sir Stephen Montgomery is utterly distracted. He should be trying to figure out how his two best friends were killed in a suspicious accident and why the new young viscount seems destined to be the next victim. But he can't concentrate on anything but his growing infatuation with the beautiful, mysterious, and utterly captivating governess.

Together they're doing their best to save the two boys, but will Stephen's feelings for Bonnie get in the way of their search for a killer?

Editorial Review

About the Author

Ellie Macdonald has held several jobs beginning with the letter T: taxi driver, telemarketer, and, most recently, teacher. She is thankful her interests have shifted to writing instead of taxidermy or tornado chasing. Having traveled to five different continents, she has swum with elephants, scuba dived through coral mazes, visited a leper colony, and climbed waterfalls and windmills, but her favorite place remains Regency England. She currently lives in Ontario, Canada. The Governess Club series is her first published work.
