The Last Sherlock Holmes Story By Michael Dibdin

There can be no question that the contents of this book will prove extremely controversial. Many people will be deeply shocked by the nature of Watson's statement. Many will no doubt prefer to reject it rather than surrender the beliefs of a lifetime. Others will at least regret that two of the great mysteries of crime are finally solved...

An extraordinary document comes to light which for fifty years had been held on deposit by the bankers of the deceased John Herbert Watson MD - better known as Dr Watson.

The document, written by Dr Watson himself, opens in the East End of London in 1888. Three women have been savagely murdered. To calm the public outcry, Scotland Yard approaches London's most eminent detective, Sherlock Holmes, and asks him to investigate the killer.

Can Holmes solve the mystery of Jack the Ripper? And why has this story been suppressed for so long?

Editorial Review

Review

"One of the most shocking accounts of crime ever produced."

—*Chicago Sun-Times*

"Dibdin in one of the best detective novelists around."

—*London Daily Mail*

"An explosive, controversial book . . . A horrible thread of reality runs through the tale as it does in no other Sherlock Holmes story, for the Whitechapel murders were real."

—*Baltimore Sun*

From the Inside Flap

In **The Last Sherlock Holmes Story**, Michael Dibdin pits the sleuth of Baker Street against the Butcher of Whitechapel--the archfiend Jack the Ripper. In doing so, he gives readers a Holmes possessed of greater and more disturbing depths than the one they thought they knew.

From the Back Cover

In 1888 Sherlock Holmes is languishing for a criminal case worthy of his powers, then one materializes, heralded by the spatter of gore and the shriek of headlines. For in vice-ridden Whitechapel, three female paupers of dubious morals have been murdered, their bodies hideously defiled. And in taunting letters their killer announces his intention to strike again - and signs his name "Jack the Ripper". As conceived by the award-winning mystery writer Michael Dibdin, *The Last Sherlock Holmes Story* is a brilliantly inventive updating of the Holmes legend. Pitting master detective against archfiend, steely rationalism against satanic depravity, Dibdin gives us a Holmes who is more complex, more human, and ultimately more fascinating than the one imagined by Arthur Conan Doyle.

Users Review

From reader reviews:

Jennifer McMorris:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that publication has different type. Some people really feel enjoy to spend their time and energy to read a book.
