The Arab Spring: The End of Postcolonialism By Hamid Dabashi

This pioneering explanation of the Arab Spring will define a new era of thinking about the Middle East.

In this landmark book, Hamid Dabashi argues that the revolutionary uprisings that have engulfed multiple countries and political climates from Morocco to Iran and from Syria to Yemen, were driven by a 'Delayed Defiance' - a point of rebellion against domestic tyranny and globalized disempowerment alike - that signifies no less than the end of Postcolonialism. Sketching a new geography of liberation, Dabashi shows how the Arab Spring has altered the geopolitics of the region so radically that we must begin re-imagining the 'the Middle East'.

Ultimately, the 'permanent revolutionary mood' Dabashi brilliantly explains has the potential to liberate not only those societies already ignited, but many others through a universal geopolitics of hope.

Editorial Review

Review

"A refreshing, thoughtful and historical reading of the dramatic changes sweeping the Arab world." - Marwan Bishara, senior political analyst, *Al Jazeera*

"Dabashi provides a revolutionary, imaginative and open-ended reading of what will turn out to be a founding moment of the twenty-first century." - Fawwaz Traboulsi, author of *A History of Modern Lebanon*

"This illuminating and beautifully written book, by a brave intellectual and a brilliant scholar who knows the terrain like the back of his hand, traces the genealogy of this unique moment and offers a bird's eye view of the horizons it promises." - Sinan Antoon, poet and novelist

"*The Arab Spring* is enormously enlightening and original, a landmark work of a political and historical convulsion of immense proportion and significance. The book is so rich, careful and systematic in making its case that I expect it to define a new paradigm regarding the nature of revolution itself." - Alamin Mazrui, Rutgers University

"Embracing the poetic justice of the Arab Spring, Hamid Dabashi seizes upon and expresses the lyrical. He recounts philosophically an open-ended non-linear story, which is still in the making." - Elia Suleiman, filmmaker

"The depth and richness of Dabashi's perspective contrasts with the barrenness of the modernization paradigm dominant in the West's academy and media as much as in liberal, nationalist and socialist Arab accounts. It offers a fresh look at some deeper resources of Arab societies and cultures." - Haifa Zangana, writer and activist

About the Author

Hamid Dabashi is the Hagop Kevorkian Professor of Iranian Studies and Comparative Literature at Columbia University.

Users Review

From reader reviews:

Sandra Murray:

As people who live in typically the modest era should be update about what going on or information even knowledge to make these keep up with the era that is certainly always change and progress. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This *The Arab Spring: The End of Postcolonialism* is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Yvonne Speight:

Often the book *The Arab Spring: The End of Postcolonialism* will bring you to the new experience of reading the book. The author style to explain the idea is very unique. In case you try to find new book to study, this book very suited to you. The book *The Arab Spring: The End of Postcolonialism* is much recommended to you to read. You can also get the e-book from official web site, so you can easier to read the book.

Lucia Stevenson:

You may spend your free time you just read this book this guide. This *The Arab Spring: The End of Postcolonialism* is simple to develop you can read it in the park, in the beach, train and also soon. If you did not have much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the book in your smart phone. Thus there are a lot of benefits that you will get when one buys this book.

Mark Whitten:

What is your hobby? Have you heard in which question when you got scholars? We believe that that concern was given by teacher to the students. Many kinds of hobby, Every person has different hobby. And you also know that little person like reading or as reading through become their hobby. You should know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You find good news or update in relation to something by book. Many kinds of books that can you choose to adopt be your object. One of them is niagra *The Arab Spring: The End of Postcolonialism*.
