The Gatekeepers #5: Oblivion By Anthony Horowitz

The final, thrilling conclusion to #1 NEW YORK TIMES bestselling author Anthony Horowitz's masterful series -- now in paperback!

All that's left is the endgame . . .

For a moment, it looked like they had won -- the five Gatekeepers had united -- and then a deadly typhoon tore them apart, scattering them through the door and across the world.

Ten years into the future, the Gatekeepers find themselves struggling through a desolate world to find one another; to stop the evil force that waits for them; to save the world as they did ten thousand years ago. With enemies dogging their every step and the doors broken, the Gatekeepers' only hope is . . . Oblivion.

The five have arrived at the end of the world.
