Editorial Review

From Library Journal

Toms, host of the radio series "New Dimensions," interviewed Joseph Campbell a number of times over ten years. This book is compiled from transcripts of nine of these interviews. While the content is similar to Campbell and Moyers's *The Power of Myth* (Doubleday, 1988), Toms takes a more conversational approach than did Moyers, making the text easier for the general reader. As a result, this is a good book to recommend to younger readers who might find *The Power of Myth* too erudite, though unfortunately, it has no illustrations. For any library where there is demand for materials by and about Campbell. Lucy Patrick, Strozier Lib., Florida Univ., Tallahassee
