Editorial Review

Review

"Wayne Shepherd's rich vocal personality matches voice to mood as he delivers the authors' prescriptions for living a God-centered life. With warmth and empathy he recounts how to develop an intimate, life-changing relationship with the Lord and how to apply God's will to all of life's circumstances. The issue of trust prevents many from growing in relationship with the Lord. With a simple rhythm Shepherd defines what trust is and what trusting God means, and how to build and renew one's faith and trust in God each day. Revised and expanded with seven new chapters and dozens of inspirational stories, this practical, God-centered audiobook is suited for individual or group Bible study."
