Editorial Review

About the Author

Long time motorhead Timothy Remus is the author of over thirty titles: everything from lifestyle books including *Bean're*, *Motorcycle Nomad*; to how-to books such as *Cheap Chopper*. As president of his own small publishing company, Wolfgang Publications, the former auto mechanic also publishes five to ten books each year for other authors. Tim reports that the twin responsibilities of writing and publishing leave him with limited free time for the really important things: riding motorcycles and working on projects in the garage.
