July's People By Nadine Gordimer

Winner of the Nobel Prize in Literature

For years, it had been what is called a “deteriorating situation.” Now all over South Africa the cities are battlegrounds. The members of the Smales family—liberal whites—are rescued from the terror by their servant, July, who leads them to refuge in his village. What happens to the Smaleses and to July—the shifts in character and relationships—gives us an unforgettable look into the terrifying, tacit understandings and misunderstandings between blacks and whites.

Editorial Review

Amazon.com Review

Not all whites in South Africa are outright racists. Some, like Bam and Maureen Smales in Nadine Gordimer's thrilling and powerful novel *July's People*, are sensitive to the plights of blacks during the apartheid state. So imagine their quandary when the blacks stage a full-scale revolution that sends the Smaleses scampering into isolation. The premise of the book is expertly crafted; it speaks much about the confusing state of affairs of South Africa and serves as the backbone for a terrific adventure.

Review

"So flawlessly written that every one of its events seems chillingly, ominously possible."—Anne Tyler, *The New York Times Book Review*

"Gordimer knows this complex emotional and political territory all too well and writes about it superbly."—*Newsweek*

"Gordimer's art has achieved and sustained a rare beauty. Her prose has a density and sparsity that one finds in the greatest writers."—*The New Leader*

"Nadine Gordimer writes more knowingly about South Africa than anyone else."—*The New York Times*

About the Author
