Love, No Matter What! By Ms. Komal Ahuja

Naina and Manish are waiting for their second child as excitedly as Khushi waits for her sibling. Their life takes an unexpected turn when Naina gives birth to an intersex child. Everyone will ask if it is a boy or a girl. What are we supposed to say? Manish doesn't know how to handle the situation, and his family worries more for the world than the child who Naina names Devi. Naina fears that the family might not accept Devi, forcing her into leading a frugal life, dancing on the streets for earning a livelihood. Will Naina be able to fight the world and give her child the life she truly deserves? Devi also has a Dad she adores. Is Naveen really her dad or is there something more to this beautiful relationship? Love, No Matter What! is set in Rajasthan, and gives you a peep into the world of the transgenders and the intersex. It makes us wonder: Are they different from us, or are they just as human as we are? Discover as you read how love prevailed when all else failed

Editorial Review

About the Author

Komal Ahuja is a teacher in the early hours of the morning, a businesswoman and corporate trainer during the day, and a writer by the night. Somewhere between all this frenzied activity, she is also a home-maker. Her poems and stories are eagerly peeping through the crevices of the closet, waiting to be discovered.

Users Review

From reader reviews:

Hattie Jasso:

Nowadays reading books become more than want or need but also get a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The information you get based on what kind of reserve you read, if you want have more knowledge just go with education books but if you want experience happy read one along with theme for entertaining including comic or novel. The particular Love, No Matter What! is kind of book which is giving the reader unstable experience.

Judy Turner:

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider if those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Love, No Matter What! as the daily resource information.

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book has been rare? Why so many concern for the book? But any people feel that they enjoy intended for reading. Some people likes reading, not only science book but in addition novel and Love, No Matter What! or even others sources were given know-how for you. After you know how the truly amazing a book, you feel need to read more and more. Science book was created for teacher or perhaps students especially. Those guides are helping them to put their knowledge. In some other case, beside science book, any other book likes Love, No Matter What! to make your spare time a lot more colorful. Many types of book like this one.

Alice Walker:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or to make

summary for some publication, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Love, No Matter What! can make you truly feel more interested to read.
