Medieval Europe: A Short Sourcebook By C. Warren Hollister, Joe Leedom, Marc Meyer, David Spear

This collection of documents in medieval history is designed to accompany the recently revised **MEDIEVAL EUROPE: A SHORT HISTORY** by C. Warren Hollister and Judith Bennett. However the diverse selection of sources also makes it a useful supplement for courses in Western Civilization. As in previous editions, this reader continues to provide a lucid and approachable introduction to each of the documents and a special chapter devoted to visual sources in medieval history. In addition to these hallmark features, the fourth edition includes new Internet resources, thought questions at both the reading and chapter level, and a more geographically diverse range of readings.
