One Child By Torey Hayden

This beautiful and deeply moving tale recounts educational psychologist Torey Hayden's battle to unlock the emotions of a troubled and sexually abused child who, with the help of Hayden, was finally able to overcome her dark past and realise her full potential. Six-year-old Sheila was abandoned by her mother on a highway when she was four. A survivor of horrific abuse, she never spoke, never cried, and was placed in a class for severely retarded children after committing an atrocious act of violence against another child. Everyone thought Sheila was beyond salvation - except her teacher, Torey Hayden. With patience, skill, and abiding love, she fought long and hard to release a haunted little girl from her secret nightmare - and nurture the spark of genius she recognised trapped within Sheila's silence. This is the remarkable story of their journey together - an odyssey of hope, courage, and inspiring devotion that opened the heart and mind of one lost child to a new world of discovery and joy.

Users Review

From reader reviews:

Ruth Cook:

Spent a free a chance to be fun activity to complete! A lot of people spent their down time with their family, or their friends. Usually they performing activity like watching television, going to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Do you want to something different to fill your own free time/ holiday? Can be reading a book might be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to try look for book, may be the guide untitled One Child can be very good book to read. May be it is usually best activity to you.

Karl Schueller:

A lot of people always spent their very own free time to vacation or even go to the outside with them friends and family or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. In order to try to find a new activity this is look different you can read a new book. It is really fun for you personally. If you enjoy the book you read you can spent 24 hours a day to reading a reserve. The book One Child it is extremely good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. When you did not have enough space to deliver this book you can buy often the e-book. You can m0ore very easily to read this book from the smart phone. The price is not to cover but this book has high quality.

Geneva Milbourn:

Your reading 6th sense will not betray a person, why because this One Child guide written by well-known writer who knows well how to make book which might be understand by anyone who read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your hunger then

you still doubt One Child as good book not just by the cover but also by the content. This is one reserve that can break don't assess book by its deal with, so do you still needing yet another sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to a different sixth sense.

Soledad Neeley:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this One Child can make you experience more interested to read.
